

Short Form Privacy Notice from Lockton Companies LLP

Lockton Companies LLP is committed to protecting the privacy and security of your personal data.

Who we are

As an intermediary providing regulated insurance broking services, Lockton Companies LLP is a "data controller".

The basics

We collect and use relevant information about you to provide our insurance broking services to you, including (as applicable) risk consulting, arranging the insurance cover from which you benefit or handling your claims, and to meet our legal obligations.

This information includes details such as your name, address and contact details and any other information that we collect about you in connection with the insurance broking services we provide to you. This information may include more sensitive details such as information about your health and any criminal convictions you may have.

In certain circumstances, we may need your consent to process certain categories of information about you (including sensitive details such as information about your health and any criminal convictions you may have). Where we need your consent, we will ask you for it separately. You do not have to give your consent and you may withdraw your consent at any time. However, if you do not give your consent, or you withdraw your consent, this may affect our ability to provide our insurance broking services to you, including (as applicable) arranging the insurance cover from which you benefit and may prevent us from providing cover for you or handling your claims.

The way insurance works means that your information may be shared with, and used by, a number of third parties in the insurance sector for example, insurers, agents or brokers, reinsurers, loss adjusters, sub-contractors, regulators, law enforcement agencies, fraud and crime prevention and detection agencies and compulsory insurance databases. We will only disclose your personal information in connection with the insurance broking services that we provide and to the extent required or permitted by law.
